Peace Hosts FUN Night for Grammar School Girls

Sixth, seventh and eighth grade girls from 11 area grammar schools attended Peace's annual FUN Night on Nov. 6.

In two hours time, the young women participated in volleyball, basketball, drama, and activities and games with Peace and St. Laurence students. They also learned a student-choreographed musical number and student-choreographed dance, as well as created an art project.

Peace's FUN Night provides young women an opportunity to explore different interests, while spending time with friends - old and new. The girls connected with Peace students and faculty and had an opportunity to participate in the many activities that Peace offers, while building friendships.

A second FUN Night will be held Friday, March 19 from 6 to 8 p.m. Fifth, sixth and seventh grade grammar schools girls are invited to this event. Sixth, seventh and eighth grade young women also are invited to attend Shadow Days when their school is not in session. For more information, please call Recruitment Director Rosemary Sexton at (708) 458-7600, Ext. 292 or visit www.queenofpeacehs.org.
