Peace Hosts “Mardi Gras Friday” for Grammar School Girls

One hundred fifth, sixth and seventh grade girls from 22 area grammar schools attended Peace’s “Mardi Gras Friday” event on March 4.

The girls, dressed in the Mardi Gras colors of purple, gold and green, enjoyed taking part in a number of activities. Following a pizza dinner, complete with traditional King Cake, all of the students broke up into teams for a scavenger hunt around the school. They then made mixed media masks, participated in improv games and learned jazz dances, along with competing in hula hoop, limbo and volleyball contests for prizes.
