Queen of Peace Celebrates Spirit Week

Queen of Peace High School recently celebrated Spirit Week from Sept. 28-Oct 2. The week began Monday, Sept. 28 with Peace's first Spirit Assembly of the year and concluded Saturday, Oct. 2 with the Homecoming Dance, which celebrated the theme, "Where Dreams Come True." Peace's Student Council also donated \$540 to the "Make a Wish Foundation" from its Homecoming proceeds.

During the Sprit Assembly, Student Council members introduced each of Peace's fall sports teams. The award-winning Queen of Peace-St. Laurence combined band performed, and cast members from Peace's fall play "Willy Wonka Junior," which will be held Nov. 19-22 at Peace, sang two songs and passed out candy to the crowd.

Students sported their best Peace Pride wear Tuesday and came to school Wednesday dressed in the attire of their future profession.

The highlight of Spirit Week was Friday's flag football game between the Yellow Team and the Blue Team. These two intramural teams won their semifinal matches earlier in the week and earned the honor of playing in front of the entire school in the gymnasium.

The game consisted of four eight-minute quarters. The Yellow Team, coached by varsity volleyball coach Anne Malone, prevailed 24-13 and earned a trophy for their victory. Both the Blue Team and Yellow Team consisted of young women from each class level.

Members of Peace's Student Council planned Spirit Week. Their responsibilities included designing T-Shirts, organizing and decorating for the Homecoming Dance, and

organizing the halftime activities for the flag football game, as well as the Spirit Assembly. They also choose the theme for each Spirit Week dress-down day.
