Peace Participates in World Maths Day

Queen of Peace High School's math classes joined nearly two million students from over 230 countries during World Maths Day on March 3. Students competed in real time to correctly answer mental arithmetic questions in quick-fire 60-second games.

World Maths Day is a global event that was designed to encourage school and student participation in an engaging online math event.

Twenty-two Peace math students were named Gold Award Winners for acquiring over 4,000 points during the 48-hour long event. The following 10 students placed in the top 10 for Queen of Peace: Kelli Peyronet (Chicago – 60655), Cynthia Ramirez (Justice), Katy Draper (Palos Park), Yasmeeen Abdellatif (Chicago – 60629), Sara De Van (Chicago – 60638), Julia Amador (Hickory Hills), Elizabeth Reynolds (Bridgeview), Kathy Gwozdz (Bridgeview), Marcella Perez (Burbank) and Andrea Ibarra (Chicago – 60652).
