**Queen of Peace High School hosts Girl Scout Badge-a-thon**

Queen of Peace High School students, alumnae and faculty hosted a Girl Scout Badge-a-thon Saturday, Jan. 24, inviting several area Scouts to complete the Science Discovery and Technology badges in one day.

Math teacher Therese Lahart led the effort with the help of 21 students, many of whom are members of Peace's Future Teachers of America Club. The school's *FIRST* Robotics Team demonstrated their completed robot, and three alumnae helped for the day, too.

Oak Lawn Girl Scout Troop 60321 and Brownie Troops 60225 and 60337 along with Burbank Girl Scout Troop 60783 attended the event.

Peace students led and taught the lessons to the 48 Scouts. Activities include Car Blowing Construction, Slime Making, Photo Shop, Internet Safety, Music Vibrations, and robotics demonstration.

"This was a wonderful day for the Scouts as well as the Peace students. Our students learned first-hand the importance of teamwork and planning as well as the challenges of teaching," Ms. Lahart said.
