Eighteen Queen of Peace High School juniors and seniors were inducted April 6 into Mu Alpha Theta, a mathematics honor society for high school students.

“These new MU ALPHA THETA members have joined the elite members of this U.S. mathematics honor society which strives to inspire keen interest in mathematics and promote the enjoyment of mathematics in high school,” said math instructor Judy Canning. “This year the Peace MU ALPHA THETA members were active in Math Club and as math tutors, tutoring more than 250 hours in math. Also, the members competed internationally with more than 200 schools in the U.S., Brazil, Cambodia, Canada, China, Hong Kong, Marianas Islands, Saudi Arabia, Turkey, and the United Arab Emirates.”

Seniors inducted were Angela Amador, Hickory Hills; Tara Becker, Burbank; Candice Bilina, 61<sup>st</sup> and Natchez; Sarah Borlee, Bridgeview; Monica Budzak, 85<sup>th</sup> and South Karlov; Monica Murzydlo, Bridgeview; Rachael Nowicki, 7100 West 51<sup>st</sup>; Abigail Point, Evergreen Park; and Theresa Yerkes, Justice.

Juniors inducted were Rana Mazen Abdellatif, 55<sup>th</sup> and South Albany; Nicole Frederick, Oak Lawn; Allison Kirwan and Kaitlyn Kurowski and Marcella Victoria Perez, Burbank; Sara Seweryn, 60<sup>th</sup> and South Mason; and Erica Vrkljan, Palos Hills.
