

### **TRANSITIONAL FINANCIAL SUPPORT**

Please refer to your personal financial support letter to determine what support your daughter is currently receiving, what will continue, and what you will need to coordinate with your new school.

### **QUEEN OF PEACE CONTINUATION CRITERIA**

In our initial letter, we communicated that criteria for continuing QOP awards would require attendance at a Chicago area Catholic school. This has since been expanded to include other Chicago area private high schools as well.

### **FUNDING PROVIDED BY YOUR NEW SCHOOL**

This support may include need-based financial aid, discounts, or scholarships you may be eligible for through them. Please reach out to them directly to determine the criteria and process they use as well as due dates.

### **QUESTIONS?**

We will be available on February 16<sup>th</sup> – Parent Teacher Conference Day – to personally address any questions you might have. In addition, please feel free to contact Mary VanKoevinger at 708.496.4799 or by email at [vankoevinger@queenofpeacehs.org](mailto:vankoevinger@queenofpeacehs.org) with any questions or to set up an appointment to discuss further.
